

REDEEMED FOR A CAUSE

NEW SCHOOL PARTNERSHIPS, NEW ALLIES

MOVING FORWARD WITH NEW ALLIES

NEW SCHOOL PARTNERSHIPS

January was Human Trafficking Awareness and Prevention Month. We held four panels with over 200 participants: Human Trafficking Q&A; CoVid-19, SA, DV, and HT; Internet Safety and Sextortion; and DV, HT, SA – Systemic Issues.

As a result of these trainings, we have forged new partnerships with Richard Allen Preparatory Charter School, the Agnes Irwin School, and South Philadelphia High School. We will hold professional development trainings regarding human trafficking for educators as well as ongoing presentations for students, in addition to support groups and toiletry closets.

As always, any and all donations towards these toiletry closets are welcome!

As 2021 continues, we are looking for Human Trafficking Allies to join us in the fight to protect our women and teenage girls in South and West Philadelphia. CoVid-19 has greatly exacerbated trafficking and sexual exploitation, especially for teenage girls.

If you are interested in joining the cause, please fill out the form linked below and a member of our team will be in contact with you.

Here's to more serving!

SOUND THE ALARM COMMUNITY FEEDBACK

"A lot of times, as a person who does sexual assault work all day, the content can come off as old, but it wasn't hard to pay attention and each of the panelists had great and insightful things to input."

"The Roxborough High School town hall virtual presentation for staff as myself, parents, and students was amazing. The event went smoothly as well. I will definitely make sure I 'whittle' conversation around human trafficking it into my dialogue as a teacher. I will also have conversations with my daughter. I feel a bit more empowered now to do so."

"Your events have been incredible. Last night's panel is truthfully one of the best panels I have ever attended on HT. The three of you managed to bridge HT, SA and DV within in a complex but easy to understand conversation."
